Dear Friends and Supporters,

The difference we have been able to make in Palmdale and Lancaster has been wonderful. The many women whom we have counseled and helped and the babies' lives we have saved is very gratifying and, I'm sure, very pleasing to God.

Thanks to your past generosity we have been open for many years. Financially, we have had good years and bad years, but we have never been as bad off as we are now. The need for us to continue is great; however, we are at the point where we can no longer afford to be open for even four days a week.

In order for the Center to continue, we need all of you who have helped in the past to send in a gift in the enclosed envelope as soon as possible.

Thank you again for caring.
